Grand Lake Home Health Named to 2009 HomeCare Elite as Top Home Health Care Provider

Grand Lake Home Health today announced that it has been named to 2009 HomeCare Elite, a compilation of the top performing health agencies in the United States. This annual review identifies the top 25% of agencies. Winners are ranked by an analysis of performance measures in quality outcomes, quality improvement, and financial performance.

“The 2009 HomeCare elite winners demonstrate a commitment to providing their patients with the best possible care while performing at the highest level,” said Nancy Buller, Senior Director of Marketing Communications at OCS Homecare. “We congratulate Grand Lake Home Health on being one of the top agencies in the country.”

Grand Lake Home Health’s Director, Linda Haines, credits her staff for their caring, diligent work to see that their patients’ needs are not only met but that they improve in the ability to understand their illness, their medications and that they are able to better care for themselves by time of discharge. “This is the third straight year that Grand Lake Home Health has demonstrated the ability to rank as one of the Home Care Elite,” Haines states.
