DR. JEFFREY WHITE NAMED URGENT CARE DIRECTOR

[ST MARYS, OH MARCH 16, 2007] —

Jeffrey White, M.D. has been named Urgent Care Director at Joint Township District Memorial Hospital. "Our new Urgent Care service has been very successful and we looked forward to Dr. White's leadership in providing this important service to our community," says Kevin Harlan, President and CEO of Joint Township District Memorial Hospital and the Grand Lake Health System.

Dr. White comes to Joint Township Hospital from Mercer County Family Care in Celina where he blended a practice of family and occupational medicine. A native of Nova Scotia, Canada, who lived in Wisconsin for six years, he now lives in Celina with his wife Wanda and children David, Katelyn and Emily. He is soon to become an American citizen currently awaiting the oath ceremony. His cousin, Peter White, M.D. is a family practice physician at the Celina Medical Center. Dr. Jeffrey White is an avid outdoorsman and sports enthusiast. "I am very happy to be part of the Grand Lake Health Team," says Dr. White.

Dr. White received his medical degree from Dalhousie Medical School in Nova Scotia, Canada and his undergraduate degree from Mount Allison University, New Brunswick, Canada. He is licensed by the State of Ohio Medical Board and received the Physicians Recognition Award 1998-2001 from the American Medical Association.

Urgent Care at Joint Township Hospital provides a valuable health care service that's positioned between the doctor's visit and the hospital ER. Urgent Care treats minor illnesses and injuries that arise after hours when your general practitioner is unavailable.

Urgent Care is conveniently located next to the Emergency Center at Joint Township District Memorial Hospital. Urgent Care at Joint Township Hospital, an affiliate of the Grand Lake Health System is open Monday through Friday, 5 pm to midnight and Saturday and Sunday, 10 am to 10 pm.
