PRESS RELEASE

FOR IMMEDIATE RELEASE — JUNE 2, 2014

Regional Healthcare Leader Opens New ENT & Sinus Specialty Center

*Grand Lake Health System Announces
 the Vanan ENT & Sinus Center*

ST. MARYS, Ohio (June 2, 2014) — Grand Lake Health System, in partnership with Mercer Health, is pleased to announce the grand opening of the new ear, nose and throat (ENT) and sinus treatment and surgery center, Vanan ENT & Sinus Center. This is the only ENT and sinus specialty practice within 25 miles of St. Marys and the only center specifically serving Mercer and Auglaize Counties.

“Previously, ENT services were not available locally, requiring a large number of patients to travel out of town to visit specialists,” said Michelle Wasmund, Executive Director of the Grand Lake Physician Practices. “By partnering with Mercer Health to create the Vanan ENT & Sinus Center, we are providing our community with an accessible ENT and sinus care and treatment center closer to home, allowing us to serve residents of Mercer and Auglaize counties with superior ENT care.”

The Vanan ENT & Sinus Center is led by Dr. Suri A. Vanan, MD, FACS, FRCS(C). Dr. Vanan is board-certified in otolaryngology, with over 30 years of experience as an ENT specialist. The center will provide area residents with high quality ENT and sinus care and treatment, and Dr. Vanan will also perform ENT-related surgical procedures at both Joint Township District Memorial Hospital and Mercer County Community Hospital. The Vanan ENT & Sinus Center will be open for office hours Monday through Friday from 8 a.m. to 4:30 p.m. and is currently accepting new patients.

“We are happy to welcome Dr. Vanan to the area. We believe that with the addition of this specialty center to our region, patients will receive quality care more conveniently,” said Wasmund.

The newly opened Vanan ENT & Sinus Center is located at 801 Pro Drive, Celina, OH. For more information about the Vanan ENT & Sinus Center, visit www.GrandLakeHealth.org or call 419-586-6480.
