

I pledge a donation of \$4.00 per paycheck (\$104.00 annually) to the JTD Hospital Foundation.
I understand that the donation will result in a \$4.00 deduction from each paycheck.
The deduction will be continuous unless I (the employee) request to be removed from the Pride Club.

Our Mission
*is to always provide
— now and in the future —
high-quality, low-cost, sensitive healthcare
that is properly housed, equipped and staffed
to meet the primary, acute and rehabilitative
health service needs of Auglaize County
and our surrounding communities.*

Pride Shows

Joint Township District
Memorial Hospital

Pride Shows In An Organization.

Throughout Joint Township District Memorial Hospital, you see a PRIDE demonstrated by our employees. They genuinely care about serving their patients and the community. It is a PRIDE that is visible in all departments.

Hospital Pharmacists
Larry Johns
and
Sharon Schnell

Small town values – we think these special values help distinguish us from monolithic large city institutions. These values enable employees to demonstrate a brand of care that they would want for their grandparents, parents and children.

The PRIDE club at JTDMH is a prime example of these special values. The PRIDE club was created to enable employees to donate to the JTD Hospital Foundation, the fund raising arm of Joint Township District Memorial Hospital.

Carol DeArmitt,
Surgery Nurse,
and
Anne Gast,
Phlebotomist

The members of the voluntary PRIDE Club take a very active role in determining how their donated funds are spent by the Hospital. An advisory task force of PRIDE Club members helps choose hospital projects that they would like to see funded by the PRIDE account. All PRIDE Club members are asked for their input on the purchases.

A priority of the PRIDE Club has been the purchase of items needed by the hospital but are not top priority items. For example, training items often receive a low priority in the Hospital's overall capital priorities in comparison to new patient care technology such as a CT scanner.

Elaine Sullivan,
Switchboard
Coordinator,
and Bev Kettler,
Retiree

The PRIDE Club has used its donated funds to purchase a large-screen TV with VCR for training programs in our fourth floor conference room; a portable sound system to aide in training programs; and a TV/VCR for training programs in the cafeteria conference area.

Judy Meckstroth,
Surgery
Secretary,
and Marge Ziegenbusch,
Surgery Nurse

The PRIDE Club purchased items such as a training manikin for community CPR programs, wheelchairs, pediatric supply bag for the Hospital transport vehicle, plus items for the new Birthing Center.

Sharon Sullivan,
IS Department,
and
Yvonne Stoner,
Retiree

We thank all the PRIDE Club members for their participation. They are an important part of Joint Township Hospital's commitment to providing our community with an outstanding level of health services.
