New Patient Packet Information:

We would like to take this opportunity to thank you for considering our physicians to participate in your healthcare. We look forward to providing you with personalized, comprehensive health care focusing on wellness and prevention. As continuity and coordination of patient care is essential in meeting your healthcare needs, our physicians, nurse practitioners, nurses, medical assistants and office staff work closely in a "team approach" to support your patient care. We work collaboratively with Joint Township District Memorial Hospital and a wide range of specialists to coordinate all aspects of patient care including inpatient hospitalization and specialty consultation care, as needed.

Prior to establishing with a new GLPP primary care physician, you may be asked to contact your previous physician and request that a copy of your medical records be sent to the new office.

The enclosed forms will need to be completed and may need returned to the office prior to your appointment or brought with you to your appointment. If required, you will also need to notify your health insurance company of your new primary care provider. During your initial visit, we will be reviewing your health status and these forms contain information necessary to complete this process. Please bring your health insurance identification card, photo I.D., and any medications (actual pill bottles) you are currently taking.

Once again, we would like to thank you for choosing us as your primary health care provider. We look forward to working with you.

Sincerely,

Grand Lake Health System
